5- All is quiet at Sharga by man-
Umulgaween and Ra's ul Hyma; except
what is before stated. The Pearl Fishery has not as
yet been very successful, but they think it will
be an average year, as it may be useful to know
from time to time, the number of boats and
people employed, I have got the best information
I could, which is as follows.

Bahrain and its Dependencies	=	575 Boats
average 19 men each boat	-----	10,925 Men
Sho'thubee	-----	217 Boats
average 11 men	-----	2,387 Men
Debay	-----	100 Boats
average 11 men	-----	1,100 Men
Sharga & its Neighborhood	---	406 Boats
average 8 men	-----	3,248 Men
Ajman	-----	49 Boats
average 8 men	-----	344 Men
Umulgaween	-----	51 Boats
